## JACKSON ACADEMY EVENTS SETUP FORM

### PROCEDURES AND INSTRUCTIONS

- Setup forms must be turned in at least 48 hours prior to the event to Bill Campbell, Events Coordinator. If a setup form requires discussion in addition to the information conveyed on the form, please call 601-942-9053.
- All setup forms should include a diagram of how the facility should be setup. Written descriptions are encouraged and are helpful, but they should not take the place of the diagram.
- The person/department/organization requesting a setup must consider the availability of the facility being setup prior to the requested time for the setup. It is the requestor's responsibility to schedule the facility with the appropriate division Head for the setup time required. For example, if the gym is requested to be setup with twenty tables and 250 chairs by 8 a.m., the setup will have to be done the afternoon before starting around 3 p.m. Accordingly, in addition to securing the gym for the program time of 8-9:00 a.m., the requestor must also reserve the gym with the athletic director for the afternoon and evening before the event.
- Likewise, the person/department/organization requesting a setup must consider when the setup can be removed relative to the next use of the facility. It is the requestor's responsibility for events ending after hours to either schedule an idle period in the facility the next day for setup removal or make arrangements for the setup to be removed that evening. For example, if the cafeteria is setup for an evening event with all of the tables and chairs pushed back, either the cafeteria must be returned to pre setup condition that night or arrangements must be made with the Head of Lower School for the children who arrive at 7:30 a.m. to relocate from the cafeteria.

### FACILITIES CONTACT INFORMATION

|   |                 |              |
|---|-----------------|--------------|
| Director of Plant Services                                | Stacy Taylor    | 601-364-5764 |
