

JACKSON ACADEMY DINING

OUR MISSION

At Valley, our extraordinary team of professionals delivers innovative culinary experiences uniquely tailored for the students, faculty and staff at Jackson Academy and the local community.

Valley is pleased to be a part of Jackson Academy. We look forward to an exciting school year filled with made from scratch modern foods. We'll add a dash of fun with our promotions for a truly enjoyable dining experience. Be assured that selections will be plentiful; quality will be high; and service will be exemplary.

OFFERINGS

Café Classics: Made-from-scratch entrees and sides prepared with local, seasonal ingredients.

Trends: An action venue featuring the latest food crazes and world cuisines that will entice your taste buds.

Grille: Hand-battered chicken tenders, burgers, specialty burgers, fries and more!

Deli: Student favorite deli sandwiches and wraps prepared fresh each day.

Pizza: A variety of hand-crafted pizzas that begin with a corn-dusted crust and our signature pizza sauce. We'll add a variety of flatbread pizzas to keep things interesting.

DINING PAYMENT

BIOMETRIC SCANNING

MySchoolAccount is a convenient, secure way to make funds available to your child for use in dining services. It also allows you to view your child's dining selections. Another benefit of **MySchoolAccount** is the use of biometric scanning.

BENEFITS OF BIOMETRICS

- Convenient, safe and accurate method of payment.
- Increases the speed of service at the cashier stand so students are able to enjoy their meals with their classmates
- Only a mathematical algorithm remains in the system making it secure. Actual student fingerprint images are not stored. The system selects intersection of lines on the fingerprint and converts those intersections to a proprietary "identity template" represented by numbers using a 128-bit encryption proprietary algorithm.
- Eliminates sharing of Personal Identification Numbers (PIN'S), fraudulent ID card use or exchange, and issuing or replacing cards.
- Dining Services staff will be on site beginning June 24th from 8:00 AM – 2:00 PM to capture finger scans.

Valley will utilize Biometric Scanning for grades 1st – 12th. Should you have any questions or concerns, please contact Jackson Academy Dining at 601-364-5412 or jacksonacademy@valleyinc.com.

DINING PAYMENT MYSCHOOLACCOUNT

Parents receive the peace of mind that comes from knowing your child always has lunch money by signing up for a **myschoolaccount**. MYSCHOOLACCOUNT is a convenient, secure way to make funds available to your child for use in dining services.

Another benefit we are bringing to your dining services is a *changeless* operation. Eliminating any change eliminates lost or misplaced monies. You can be assured that change from payments made by cash or check will automatically be added to your child's myschoolaccount at the register.

In order to take advantage of this service, you will need to create a parent account. This requires you to:

Open a NEW Account

1. Go to www.myschoolaccount.com.
2. Click **"Create Account"** on the top menu bar.
3. Fill in the required information on the **"Parent Account Sign-Up page."**
4. Select **"State"**. Then select **"The School"**.
5. Create a parent **User ID** and **Password**.
6. Click the **"Accept"** box, and then click **"Signup."** An email will be sent to your email address that will contain a "verification code."

After you receive the "verification code" you may begin to **add your children's information**.

To do this, **you will:**

1. Go to www.myschoolaccount.com and login using your previously created user ID and password.
2. Enter the **"verification code"** to verify your account and email address.
3. Begin **adding your children's information** according to the guidelines provided. You will need each of your children's student ID numbers to add each student. ID numbers can be obtained from school office.
4. After the students are added you will be able to view the lunch account activity and **make payments** to the student lunch account.

NOTE FOR PAYMENTS: All payments made by midnight Eastern-time (11pm Central) each night will be posted to each child's account balance for the following day. If the payment is made **after this time**, the funds will not be available for the student to use at check-out until the day after the next day.

5. Set up email reminder for low balances by going to **"Manage My Students"**; Check the box marked **"Send Low Balance Notification"** and **"Save"**.

For My School Account support, please email support@myschoolaccount.com

Account Balance

Account holders are not allowed to go into a negative balance. Please set your account to send you a low balance notification via email. Select **"Manage My Students"**; **"Send Low Balance Notifications"** and **"Save"**.

Questions: Direct questions regarding account balances or general service to the Food Service Director at jacksonacademy@valleyinc.com

TIPS FOR EASY DINING

Valley Services is proud to partner with Jackson Academy in providing campus dining services. The following tips will help to ensure your student is set and ready to enjoy a myriad of choices created by our culinary team.

- ✓ Creating the student's meal account **prior to the start of school** will ensure your student has ample time to enjoy their meal and visit with friends. Information for how to set up MySchoolAccount can be found on the Dining Services website under the **Info** tab. The student's ID is required for the account set-up and can be obtained from the Dining Services' staff or the school office.
- ✓ Positive balances remaining at the end of the 2018-2019 school year for students in grades K3 – 11th will roll over for use in the 2019-2020 school year.
- ✓ Students in grades 1-12 will be enrolled in the dining services biometric scanning system. Chef Catherine Stewart or Chef Ivan Gray will be available in the cafeteria beginning June 24th from 8:00 AM – 2:00 PM to enroll students in the system. This system is secure, and additional information can be found on the Dining Services website under the **Info** tab.
- ✓ Ensuring students have available funds in their MySchoolAccount will prevent delays at check out and allow for continued participation in Dining Services. Jackson Academy administration and Dining Services have agreed to cap negative balances at \$15. Dining Services staff will notify students as their meal funds are depleting. If a student has reached the cap of negative \$15 and continues to try to make purchases, the student will be referred to school administration to proceed with honor code counseling. To help prevent this, MySchoolAccount offers a low balance notification feature. Don't forget to set up that helpful reminder service!

Please feel free to contact any of the following Valley Services representatives if you have additional questions.

Chef Catherine Stewart
