

Dearest JA Faculty and Staff,

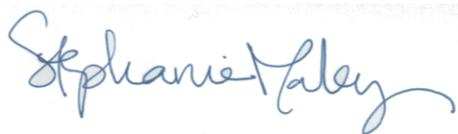

Every other year, C.A.R.E. (Classroom Academic and Resources Enhancement) Grants are provided by The JAA to our classrooms for projects, equipment, materials, field trips, and programs. These grants enrich and enhance the overall educational experience of our students, and I am excited to announce that this is a C.A.R.E. Grant year!

Individual teachers, groups of teachers, or departments may submit grant requests, and there is no limit on the number of applications a teacher may submit, whether individually or in groups. There will be a monetary cap awarded for each application.

C.A.R.E. Grants will be awarded at this year's Spring Luncheon being held on Thursday, March 9, 2023. The JAA looks forward to providing for our school through these grants. Please email me at stephaniemaley82@gmail.com or reach out to your respective Division Head with any questions.

Thank you for your continued efforts and hard work. We are beyond grateful for all that you do. Go Raiders!

Sincerely,

Stephanie Maley

JAA President 2022 – 2023
