BECOME A TRUE BLUE RAIDER TODAY!

The Jackson Academy Association (JAA) is busy planning its annual fundraising event, A Blue & White Night on Saturday, August 15th at the Country Club of Jackson. A Blue & White Night is a special evening of fellowship and fundraising that helps our school achieve its academic goals! Funds raised from this event, along with the Fall Carnival, are used to purchase educational tools for our K2-12th grade classrooms; improve campus areas –such as the Performing Arts Center and Raider Field; award C.A.R.E. grants to faculty members; and in many other ways to enhance the overall educational experience at JA! All of the funds raised directly benefit the JA students, JA faculty, our JA families and our community.
